TSA-Approved Beauty Products We Love

Carry on these beauty buys to fly through security this holiday season.

It's the struggle every traveler faces—all of these deodorants on the market and not many compact enough to travel with that you like. It's hard to find the formula that's perfect for you, but we found the beauty buy that works for every pH balance.

Enter the Naturally Fresh Deodorant Crystal Mini-Stick (\$3.99 at NaturallyFreshDeodorantCrystal.com). The deodorant crystal combines all-natural ingredients to eliminate body odor without clogging pores for 24 hours of hypoallergenic protection.
