Lafayette, La. – Remington College is again holding its “Cuts for Cause” event to collect food for families in need.

Throughout November, anyone who brings in a can of food or other non-perishable food donation gets a free haircut, manicure, or pedicure.

The salon services will be provided by students and instructors in the Remington College Lafayette Campus Cosmetology Program.

Remington College School of Cosmetology only accepts walk-ins and does not take appointments. Call 337-984-9490 for additional information.

The salon hours are Monday – Friday from 10 am – 4 pm.

The Remington College Cosmetology Diploma Program teaches students the art of hair, skin and nail care through traditional classroom instruction and hands-on training. Students have the opportunity to work with real clients in a salon-like setting. For more information, visit [remingtoncosmo.com](http://remingtoncosmo.com) or call 337-984-9490.

Remington College School of Cosmetology is located at 118 Rue Fontaine in Lafayette.
