Orlando Tree Trek Adventure Park

Groups looking for an activity-based venue may want to consider [Orlando Tree Trek Adventure Park](#). On May 1, the Kissimmee-based attraction launched a new teambuilding ropes experience for groups. The activity includes a professional facilitator who explains the connection between high ropes courses and workplace challenges. Participants climb in groups of two or three, going as high as 50 feet in the air and traversing swinging bridges, cargo nets, tight ropes, and more. The experience ends with a 425-foot plunging zip line. Groups can customize the experience based on their needs. The 15-acre property also has a covered pavilion that can be used for a meetings and meals.
