

Warm Breezes Await You And Fido

The Wyndham Orlando Resort International Drive opens a world of possibilities for you and Fido to explore together.

YOUR FURRY FRIEND WILL FEEL LIKE A VIP

IF YOU'RE LOOKING FOR THE QUINTESSENTIAL FAMILY VACATION this summer, Orlando has to be at the top of your list.

The City Beautiful combines the best arts, entertainment and culinary experiences with world-class attractions, meaning there's something for everyone. But it wouldn't be the perfect vacation without your best friend.

"Our focus is ensuring every guest has a comfortable stay," said John Goodman, the hotel's director of sales and marketing. "That includes the furry members of the family. We go above and beyond to make your stay great."

From the moment you arrive at the resort, you will be greeted with warm breezes and a sense of relaxation—and your furry friend will feel like a VIP. Those with pets are given a gourmet doggie treat and a copy of *FIDO Friendly* magazine when they check in.

The true Florida resort offers 22 acres of rich green grass, lush tropical landscape and tranquil winding lagoons for you and your pet to roam and relax in style. And it doesn't have to stop at the edge of the property. The Wyndham I-Drive's ideal location puts you in the center of it all.

Situated on Orlando's famous International Drive, the resort's walkable neighborhood includes many pet-friendly destinations. Take a stroll along the tree-lined street and take in the perfect view of the Coca-Cola Orlando Eye. Catch the game and grab some snacks and brews at our neighborhood pet-friendly restaurants, including: Buffalo Wild Wings, BJ's Restaurant & Brewhouse or Brick House Tavern + Tap. Settle in for a tasty bite at Uno Pizzeria & Grill, or gather the whole family for a meal together at Carrabba's Italian Grill, Outback Steakhouse or Vincenzo Cucina Italiana.

And after a long walk or day at the parks, the Wyndham I-Drive has everything you need to help you and your pup relax and recharge. Pet-friendly rooms feature sleek designs and thoughtful touches, including complimentary WiFi and an in-room refrigerator—perfect for stashing that doggie bag.

The resort's ability to cater to pets has even made it a top destination for groups, from dog shows to animal chiropractic conferences.

"Our reputation for accommodating animal groups proves the level of service we provide is top notch," Goodman said. "We're very proud of that."

With so many pet-friendly features, the Wyndham Orlando Resort International Drive is a must-stay for your next Orlando trip, ensuring your pet will go home with tail wagging and your family will go home with smiles and memories to last a lifetime. 🐾
