#KEYSSTRONG KEY WEST IS READY FOR YOU

Last year we visited Key West twice while on cruises! While most people think of Key West as a party town, I found it to be a great place to take the kids for a family vacation! We all really enjoyed exploring Key West together and making lasting family memories!

We all know Hurricane Irma tore through the Keys and left a pretty big mess but did you know **KEY WEST IS BACK OPEN AND WAITING FOR YOU TO VISIT!!**

As Key West Recovers from the Hurricane they need your tourist dollars now more than ever! What better reason do you need to check out one of the most beautiful places in the country?

Whether you decide to take the kids or go on an adult only trip Key West has plenty to offer! There are plenty of bars and nightlife in Key West but I want to share some of my favorite Family friendly things to do in Key West! Every time I see someone in one of my online mom's groups ask about Key West multiple people always chime in with the "it's not very kid friendly" comments. YES it is, check out all these fun filled activities Key West has to offer!

My Favorite Family Friendly Attractions:

[City View Trolley Tours](#) – This is the **BEST** way to get around Key West! This hop-on Hop-Off Trolley has numerous stops and trolleys that run all day long! The best part is **KIDS UNDER 12 RIDE FREE!!** The drivers offer a lot of History while riding the trolley!

[Ripley's Believe it or Not!](#) – We love to visit different Ripley's in our travels and the Key West location doesn't disappoint! I like that a lot of the exhibits are interactive to keep the kids busy!

[Key West Aquarium](#) – Be sure to check out the aquarium and don't miss the touch tank! The kids will love to get up close and personal with the sea creatures!
