

Insert Resting Brunch Face Here

Ready for brunch pics for days? Brace yourself because some of the most rockin' brunch photos are coming your way. Warning. You will drool, so do yourself a favor grab some napkins now. *We were hosted over at [Guy Fieri's American Kitchen & Bar](#) located in The Villages, Florida to try their brunch options, all opinions are my own.*

I love visiting The Villages, there are so many delish places to eat. However, it was definitely love at first bite when we tried out Guy's restaurant. I was able to bring along my family so we could have the chance to try so many amazing things on their brunch menu.

Coming in as my favorite: TRASH CAN NACHOS. Yes... This glorious plate of goodness is serve piled high. It is definitely a race to get the most bites in if you're sharing. So, grab those thick tortilla chips and get to shoveling.

dawncaptures It's almost time for brunch again! What I wouldn't do to be digging into the brunch offerings over at Guy Fieri's American Kitchen + Bar right now! #hosted

Have you visited them over at #TheVillages? This Big Bite Burrito that my mom ordered is still on my mind. 🤤 The side of brunch nachos that comes with this dish is just next-level. Such a clever offering! @guysvillages recently revamped brunch offerings and pricing, so make sure to catch it every Sunday from 10 a.m. to 3 p.m. Make reservations to plan ahead here: www.guysvillages.com #brunchtime #Foodie #brunching #FloridaLife #LoveFl #Floridablogger #brunching daydreameriaclothing
