

The Best Restaurants at Orlando's Theme Parks

Yes, you can get great meals where the tourists roam. Here are a few favorites in and around Orlando's largest attractions, including Disney World, Universal Orlando and Disney Springs.

Nine Spices Hotpot (Near Universal Orlando)

Settle in for a couple of hours, as you'll need that long to make your own meal, again and again, at [Nine Spices Hot Pot](#). Choose a broth, bring over bowls of each sauce from a toppings bar, and let the fun begin. A wide variety of proteins, vegetables and noodles will pass by your table via a slow-moving conveyor belt. Grab what you want, heat it in the broth, doctor it up to your liking, then eat. Repeat. Repeat. Repeat.
