

How to have a bachelorette party in Orlando

Ride The Wheel at ICON Park

With capsules that fit up to 15 people, The Wheel takes bachelorette parties to new heights during a 23-minute rotation over Central Florida. To spice things up, purchase a Sky Bar ticket, which includes unlimited beer, wine and champagne for the duration of your ride.

Cheers your bride 400 feet above the ground and experience the adrenaline together, rather than some of the fast-paced alternatives found in Disney's theme parks. Whether you book an entire capsule or share the ride with another group, it's worth the splurge.
