

## Cowboy Dips & Chips Arrives at Aloma and Boardwalk Bowl

Cowboy Dips & Chips is a concept focusing on sandwiches and juicy dips paired with freshly made chips, with a portion of all sales donated to non-profit organizations! Locally in Central Florida, the proceeds will benefit BASE Camp, a Children's Cancer Foundation that provides year-round support for daily needs of children and families facing cancer and life-threatening illnesses.

The best sellers, Roast Beef and Pastrami, are currently available, with all three flavors of chips – Salted, BBQ, and Salt & Vinegar.

Aloma and Boardwalk Bowl will both be offering a special deal called Cowboy Dips & Chips Plus Sips, which includes two dip sandwiches, two orders of chips, and two domestic beers for \$24.

Across the nation, Cowboy Dips & Chips will also be available in Cleveland, Ohio and Oakland, California. Additional locations will be participating in 2021 and 2022.

Thank you to the Aloma Bowl team for the hospitality!
